For Immediate Release

September 8, 2009 (New York), Celebrating the fall season, Art For Progress (www.artforprogress.org) will host its "Fall Groove Cruise" Thursday, September 24th featuring DJ's, dance performances, and beautiful views of the New York City skyline. Last year's event was a smashing success and everyone has been looking forward to this year's event! We will board the *Half Moon* at 7pm from the east side at the NY Skyport Marina (east 23rd street & the river) and set sail at 7:30 sharp. With \$25 tickets, this event is expected to sell out, with only 200 tickets available.

The night will feature special guest DJ/producer *Brendon Moeller* (Beat Pharmacy, STEADFAST). With an eclectic, diverse musical mix, Brendon (www.brendonmoeller.com) has played at popular clubs from Amsterdam to Tokyo, as well as Cielo in New York. We are excited to have him, and he is sure to get everyone on the dance floor! Opening sets from Art For Progress DJ's Jimmy Sky and Rob Paterson, who are both past winners of the "Clash of the Artists" DJ competition, will set the tone for a fabulous evening!

Dance performances by *Public Acts of Decency* will add to this magical night (www.myspace.com/publicactsofdecency). This Brooklyn-based group of talented, creative dancers brings innovative energy wherever they perform. *Public Acts of Decency* holds performances in public spaces with an interactive, accessible approach.

We are happy to have Il Forno Restaurant and Wine Cellar Sorbets sponsoring our food this year.

Please visit www.artforprogress.org to purchase your \$25 advance tickets. \$35 cash at the door. *Special thanks to halcyon, Myriad Entertainment, Wine Cellar Sorbets and Liquid Sound Lounge!*
